

Option 2: Standard Search

Under our standard option, we will always try to do our best, but we won't have the luxury of investing maximum resources to help you find the most suitable candidate.

- Regular contingent recruitment no win: no fee structure
- 80.6% success rate (candidate remains in business for >12 months) over the last five years
- A 12-week staggered refund in case the candidate doesn't work out
- An admin member of staff will conduct candidate interviews, source, screen, and shortlist the candidates
- All candidates will be interviewed (usually by telephone)
- Database Search
